

TOURNAMENT RESULTS
RANCHO SOLANO
SATURDAY, APRIL 8, 2016

After driving through torrential rains from the front door to the golf course (and silently, or not, calling Cheri all sorts of names along the way) tee time found the sun shining upon us. Except for a couple of raindrops during the round it turned out to be a nice day for golf which resulted in a very close team competition separated by just a stroke or two. Congratulations to the team of Bernadette Kohl and Stu Goff who captured first place with a team score of 63! In spite of the rain the course was in very good shape and several birdies were carded! Congrats to all for showing up!
