

Foxtail North Results June 23, 2018

The weather was favourable, although a little on the warm side, which was contributed to by the absence of a beverage cart on the North course.

Our contestants found the day challenging with no one in the First Flight breaking par on a Net basis. Second Flight fared better with 2 players under Net Par.

Our Tournament Winner, Mick Beeson, turned in a strong round of Net 70 to best the field.
