

TOURNAMENT RESULTS

INDIAN VALLEY - SUNDAY 9/15/19

Another acceptable golf day for Day #2 of our Club Championship. Not as hot as Day 1, but the wind increased through the day and posed an additional challenge to most. No one at or below net 72 this day. We witnessed Cal Fire planes and helicopter working to gain control of a fire that started midway through our round and not too far from the golf course.

Congratulations to our Tournament and 1st Flight Champion - Mark Malchow with a gross 90 and net 73. That's a weekend sweep for Mark.

Congratulations to our 2nd flight co-winners with net 74's -- Olivia Bender (gross 94) and Beth Ackerman (gross 111).

Also, Congratulations to Joe Kraynik, our low gross scorer for both club championship days with a gross 85 today.
