COVID Notes and rule adjustments:

If interested, you can find more info on Hiddenbrooke's website under Covid Update.

Flagsticks stay in the hole and a noodle in the hole about 1-2 inches below the surface of the cup which will allow the ball to be holed and the golfer to retrieve the ball without touching the flag or the sides/bottom of the hole.

There are no rakes in the bunkers. As we may encounter inconsistent conditions, you may smooth/level the sand for both location of the ball and your stance, and replace your ball.

We will do the 'Closest To' on all Par 3 holes without the tape measures and the signs we normally use. There will be a tee marking the closest ball in the first group. If none of us hits the green I will lay the tee next to the hole. Each subsequent group can move the tee as needed. People who hit the green should note/remember which holes they moved the tees and notify me when they turn in their scorecards.

I will not have scorecards made up beforehand. Each group should keep their own scorecard; ideally at least 2 so they can compare after the round as usual. A player is responsible for the hole-by-hole scores, not the addition. To limit how much the scorecards are handled we will forego the usual initialing. If you have a question about a possible rule situation or issue, please talk to one of the rules committee members before turning your scorecard in.

The bar/grill is open from 9am – 4pm. I'm hoping they have some outside seating available. You may also take a picture of the scorecard and email to me at ackermandb@sbcglobal.net – BEFORE you leave the course. If you do email me the scorecard, remember to include any updates on the par 3's that you hit closest-to and moved the tee.

In the event of bad weather, please contact the course ON THE DAY OF THE TOURNAMENT to find out the status.
