

The 2022 Clark McEnnis Match Play Championship!

It's that time of year again - time to think about the Clark McEnnis Memorial Match Play Championship!

OVERVIEW

The Club tournament at Blue Rock Springs on April 30th is this year's qualifying round for Match play, but not to worry if you can't make that tournament as the qualifier is used for seeding only. You can play without qualifying; you just get a lower seed.

The champion will get a cash prize equal to 70% of the event's total purse (the prize will not be big enough to affect your amateur status), with the remaining 30% going to the runner-up.

If you are going to play, e-mail Joe Kraynik (tevadar@gmail.com).

ENTRY REQUIREMENTS

You must be a SoCo Peppers Golf member and have a certified NCGA index by the beginning of the first round matches. Members without an index should report the last three rounds that they've played to Mick Beeson, our Handicap Chairman, who will submit that information to the NCGA which will calculate and assign an index.

The CMcMPC is \$10.00 per player. **Entry deadline is April 30th, 2022**
