

TOURNAMENT RESULTS - HIDDENBROOKE - SATURDAY, APRIL 15, 2023

The clouds cleared, the sun shone bright and most of us got our money's worth on the course. Congratulations to our 2nd Flight and Overall Tournament winner, Bill Burke, who shot an 88 for a net score of 73! More congrats to Jovey Becerra, our 1st Flight winner who shot a 92 for a net 78! We had some low scores and some not so low scores, several birdies and an Eagle by DJ on the par 5 12th! Just an FYI on the division of Flights as you will see the 15 handicaps split - the reason is to make the flights more even when there are multiple handicaps of the same number at the split. The split is determined by the player's index so the lowest index of the players with the same handicap goes to the 1st flight.
