

TOURNAMENT RESULTS
SUGERLOAF
SATURDAY, JULY 16 2022

Just 3 clubs and a putter is all you had today and those of us that played had a really good time, and as you can see from the scores some players chose the right clubs and others were a little off on their selection.

When all was said and done, Tim Witter won the 1st flight with a nice net 66, while Cheri Brannon took the 2nd flight and was the overall tournament winner with a net 62. Cheri, maybe you should play with 3 clubs all the time.

Looking forward to seeing everyone at Foxtail on July 30th.
